Disclaimer

The software BETA version provided by Quectel can only be used to verify some features and cannot be used for mass production.

This Disclaimer shall not constitute any warranty or commitment of the said Software. In no event shall Quectel be liable for any consequential, special, indirect, incidental, punitive or exemplary damages, costs, expenses, or losses (including, without limitation, loss of profits and opportunity costs) in any way arising out of or relating to mass production of the said Software. Please read this Disclaimer carefully before using the said Software. Access or use of the Software in any way regardless directly or indirectly will be deemed an approval and acceptance of all the Disclaimer.
